

K-W Granite Club Registration Policy

As several leagues are at capacity, the following registration policy will be used to give preference to returning league members from the 2010/2011 season while welcoming and encouraging new members to the KW Granite Club leagues as availability allows.

- Returning member can register up to and including **September 1st** of each year (the earlier the better)
 - Registered means a signed form AND paid in full or signed up for instalments.
 - Preference given to returning members for the SAME night/league as they played last year.
 - Registration secures a spot on that night/league in the Individuals section
 - Date is a factor; the sooner you register the sooner you secure a spot.
 - Team Entries – requires 3 paid members (at least 2 previously in that night/league)
 - This moves the individuals up into the Team section (with 1 TBD or blank)
 - 2nd choice given to returning members signing up for a new night.
 - After Sept 1st and after all returning members who have previous played on that night/league have been processed (either slotted into Individual or Team sections) then returning members selecting a new night are slotted into the Individual or Team section. If the night/league reaches capacity then the person is put on a WAIT list (based on date)
- **As of Sept 2nd** – spots will be secured first come first serve registration (based on date-not date & time)
 - If someone was listed as part of someone else's team entry and has not registered/paid they are removed IF there is someone on the WAIT list for that night/leagues (would either be returning member opting for a new night or a new member).
- If the above protocol does not determine/resolve issues – then a lottery/pick from a hat will be administered by VP Curling (ie more registrations received the same day than spots to fill – then lottery/pick from hat of all same dated registration to consume the spots for the night/league)
- Nightly league formats are (times alternate as evenly as scheduling allows)

Monday – Open -3 draws, 5, 7 & 9 pm	Thursday – Women-2 draws, 5 & 7 pm
Tuesday – Mixed-2 draws, 5*, 7 & 9 pm	Thursday – Men-1 draw 9pm
Wednesday – Men-2 draws, 7 & 9 pm	Friday – Mixed-2 draws, 5*, 7 & 9 pm

5* - potential timeslot based on registrations and ice availability.

Open – teams may be any combination of male and/or female, playing in any order
Mixed – team consists of two males and two females, order of play is M-F-M-F or F-M-F-M
Men – all players are male
Women – all players are female

All leagues are based on teams and teams stay together through the season. League convenors will assist in putting team entries together as required.

Exceptions to team compositions may be made at the discretion of the league convenor to maximum the placement of registered individuals and experience levels - ie mixed teams with alternate team compositions. The published league listing will indicate the throwing order and is the official team listing when required such as playoffs spares, external events such as Home Hardware and the Dominion competition. The KW Granite Club will require that ladies teams who wish to be eligible to represent the club at the Dominion competition must have the skip position be played by a female.

Exceptions to *league* formats require approval from the Board of Directors.
